

to govern the application and selection process for tribes/consortia to begin their participation in the tribal self-governance program in fiscal year 1998 and calendar year 1998. Applicants should be guided by the requirements in 25 CFR Parts 1001.1 to 1001.5 in preparing their applications. Copies of the interim rules published in the Federal Register on February 15, 1995, may be obtained from the information contact person identified in this notice.

Tribes/consortia wishing to be considered for participation in the tribal self-governance program in fiscal year 1998 or calendar year 1998 must respond to this notice, except for those which are (1) currently involved with negotiations with the Department; (2) one of the 62 tribal entities with signed agreements; or (3) one of the tribal entities already included in the applicant pool as of the date of this notice.

The Director's decision on the actual number of tribes that will enter negotiations will be made at a later date. Tribes already in the applicant pool will retain their existing ranking with tribes entering the applicant pool under these rules receiving a lower ranking. Being in the applicant pool will not guarantee that a tribe will actually be provided the opportunity to negotiate in any given year. However, it does mean that a tribe will not be passed over by a tribe with a lower ranking in the applicant pool or by a tribe not in the applicant pool, with the exception of a tribe already in the negotiation process.

For example, if the Department determines that five tribes will be afforded the opportunity to negotiate self-governance agreements for fiscal year 1998 and calendar year 1998, the five tribes with the highest rankings would be notified and negotiations would be scheduled. The tribe ranked sixth on the list would then have the highest ranking to negotiate a self-governance agreement for 1999 or might enter negotiations for 1998 if one of the first five tribes discontinued negotiations. In such a case, the tribe that discontinued negotiations would remain in the application pool with its original ranking and would be the first to be selected in 1998 for negotiating agreements commencing in 1999.

Dated: January 6, 1997.

William A. Sinclair,
Director, Office of Self-Governance.
